

DR NIKKI STAMP (FRACS)

KEYNOTE SPEAKER, CARDIOTHORACIC SURGEON & AUTHOR

DR NIKKI STAMP IS A HEART SURGEON, A CHAMPION FOR WOMEN ACHIEVING IN DOMAINS THAT ARE TRADITIONALLY DOMINATED BY MEN AND A STRONG ADVOCATE FOR THE IMPORTANCE OF SELF-CARE AND WORK-LIFE BALANCE.

Cardiothoracic surgeon Dr Nikki Stamp is a clever breath of fresh air.

As one of only twelve female cardiothoracic surgeons in Australia, she holds a Bachelor of Medicine and a Bachelor of Surgery with Honours from the University of Western Australia and is a Fellow of the Royal Australasian College of Surgeons, specialising in cardiothoracic surgery.

Nikki is an inspirational and experienced speaker who will give your team a welcome dose of honesty when it comes to their health and the ways they look after themselves.

TRUST ME

Patients put their trust in the hands of doctors every day, a fact that is not lost on Nikki and her team. Learn why trust is important in everything we do and how you as a professional in your field can best cultivate it.

HOW TO BE HEALTHY IN A SOCIAL WORLD

Hear about how social media impacts our wellbeing, the good, the bad & the challenging and how to thrive in spite of the shortcomings of an ever-connected world.

HOW A HEART SURGEON KEEPS HER HEART HEALTHY

Nikki explains the important ways we can all take care of our most precious organ and how women's hearts in particular need a different type of attention. Nikki provides a thoughtful and honest look at what it means to take care of your heart and how to do it in a way that is sustainable and achievable.

WOMAN RISING

Nikki knows the challenges and triumphs of being a woman in a male-dominated environment. Learn the ways women can thrive as Nikki provides insight into how workplaces can draw on the strength of diversity & inclusion.

NIKKI IS AVAILABLE FOR:

- Keynotes & Workshops
- MC & Event Hosting
- Panel Moderation & Participation

"Our event featuring Dr Nikki Stamp was a great success, and Nikki's lecture was positively received by our staff, students and community members. The lecture was wonderfully inspiring with content that had been well adapted for our audience and the event objectives. Our current female medicine students were able to draw an enormous amount from her presentation. All in all a very successful event."
